A Story to share: One week at Rock Solid we shared John 3:16 with the young people, for some this was the first time that they had heard this verse. The following week I started my talk asking if anyone could remember some or all of the verse from the week before? A 12 years old boy who had only started at Rock Solid the previous week (although we knew him as he also attends the bus project in Pinehurst) put his hand up, hesitantly he said ' Was it something like For God loved us that He sent Jesus so we won't perish but have eternal life!' I was completely overwhelmed by this - the fact that a young person who had never heard this verse/the Gospel before remembered the crux of the verse it was amazing!!! We then involved young people in a drama which explained the Gospel - this then led the young people to ask more questions....they then filled the question box with questions which we can answer over next few weeks!!

Taking the Good News Relevantly to every young person in Swindon.
