

“This church partnership model is vital in doing the kingdom of God in our area!”

– Church Leader

“The thrill, friendship and help in ministry and life that colleagues at SYFC have been in my life is wonderful.” – Local Youth Worker

“Your input has sped on the outputs and assisted what God is calling us to in our parish tremendously!” – Local Vicar

If you would like to find out any more about this exciting opportunity to work in partnership to reach out to the young people of Swindon then please contact us:

CHURCH PARTNERSHIP SCHEME

Working together to reach out to the young people of Swindon, sharing the Good News of Jesus with them and seeing them disciplined in the local church

Youth for Christ taking good news relevantly to every young person in swindon

Who are Swindon Youth For Christ ?

Swindon Youth for Christ is a non-denominational registered charity who has been operating in the Swindon area since 1950. We exist to serve alongside local church reaching out to the young people of our town. Swindon Youth for Christ exists to participate in the body of Christ in taking the Good News relevantly to every young person in Swindon and are committed to; providing young people with the opportunity to explore the Christian faith, seeing young people come to faith in Jesus Christ and connecting young people with their local church who will care for them, disciple them and help them to grow in faith and be released to use their God given gifts, skills and abilities.

Our aims in a nutshell:

To bring the gospel to young people in challenging and relevant ways.

To develop relationships with young people in schools through which the Gospel message can be shared.

To integrate young people from schools into local churches.

To offer support, love and pastoral care to young people who are in need.

To support, promote, equip and resource church based youth ministry programmes.

What is the Church partnership scheme?

We believe passionately in the local church. This belief emerges from a core conviction that Church is God's primary means of affecting this world for Jesus! Therefore we are committed supporting, equipping and resourcing the local church in its mission to reaching out to young people with the Good News.

An SYFC 'partner church' is a church who commit to regularly giving to the work of Swindon Youth for Christ. This might be by regular committed monthly giving or even quarterly or annually. Alternatively it might be you agree to regularly taking an offering for the work.

A partner church will receive regular updates about the work including termly newsletters which can be distributed to members of your church and an invitation to our annual thank you meal.

We are also able to support partner churches by leading services through which church members can hear more about the work that they are supporting.

We can also offer support, resources, advice and training to any youth ministry programme that you may already be running or seeking to develop within your church.

If you would like to discuss this further or would like us to make a presentation to your church council, mission board, eldership or congregation then please don't hesitate to get in touch.

We cannot exist without the vital support of the local church, on who's behalf we work right across the town. Your giving will make a huge difference to the lives of the young people in our communities and we really appreciate your partnership in taking the good news relevantly to this lost and needy generation.
