Giveacar is a social enterprise that organises the donation of unwanted cars to charity

Giveacar arranges the collection of your vehicle anywhere in the UK for free, and every car is either recycled to high environmental standards or sold at auction. The profits of each sale are then directed to your chosen registered charity!

FREE COLLECTION

We work with a nationwide salvage company to arrange free pick-up of your scrap car, **anywhere in the UK!**

SUPPORT CHARITY

Each scrap car donated through Giveacar raises an average of **£80 for charity!**

SAVE THE ENVIRONMENT

At Giveacar, cars that are not auctionable are depolluted and **at least 85% of the car's weight is recycled!**
